

12 April 1962

MEMORANDUM FOR THE RECORD
STATOTHR

SUBJECT: [REDACTED] Digital Plotter

STATOTHR

1. On 12 April 1962, [REDACTED] presented a new proposal and gave a brief discussion on their 60" x 60" plotter. In attendance from NPIC were Messrs. [REDACTED]. The proposal is being logged in as unsolicited and will be circulated among interested parties for comments. STATOTHR

STATOTHR

2. The approximate price for a unit being built for the Navy is \$80,000 for the basic unit with tape in/output and manual keyboard. A Plotter 910 magnetic tape unit would run an additional \$44,000. Subsequent units would probably run an additional \$10,000.
